

“Great control with little effort”

DUOGLIDE™

The NEW way to cut.

Superior Comfort & Control

DuoGlide knives combine ergonomic, state-of-the-art designs and today's most advanced technology to give you a more precise, more comfortable way to cut - The NEW way to cut.

The All-Purpose Chef's knife is an essential tool in every kitchen. Whether used for cutting, slicing, or worked in a rocking motion for chopping, the unique design will make it your go-to knife for ease and versatility.

8" All-Purpose Chef's Knife

- The ultra-soft, right sized and textured handle makes it very easy to grip the knife securely.
- The unique design positions your hand directly over the food to be cut to allow for greater control and minimal effort.
- Duo-edge technology allows ultra-thin non-stick slicing.
- The most versatile knife for chopping, dicing, mincing, or slicing fruits, vegetables and other ingredients.

This knife provides an easy, safe, and comfortable way to slice sandwiches, bread tomatoes and other vegetables as well as fruits. The blade's edge features specially designed scallops that form super sharp cutting edges. The cutting points help retain the knife's sharpness.
