

The most sanitary opener in the world, with a "stainless" reputation.

Wide open design allows dish water to pass right through for thorough cleaning. Keeps gear teeth particle free and sanitary. Even the gear is hardened stainless steel.

Removable blade assembly (pull one pin for rapid release) makes blade replacement simple. Stainless steel blade is reversible for longer life.

Run the S-11 through the dishwasher. It's that simple to keep it clean and sanitary.

S-11 Manual Can Opener - New High Tech Design.

The S-11 is a new design which is made possible by 65 years experience in the can opener business.

Sanitary cast stainless steel won't corrode and will provide years of can opening reliability. We've combined precision metal working with sophisticated gear design and we're proud to present the very finest manual can opening tool in the industry.

- Convenient table style
- Dishwasher safe
- Virtually maintenance free
- Knife replacement requires no tools
- Easily replaceable stainless steel gear
- More precise can puncture
