

Plastic Cold Beverage Dispenser

Our Cold Beverage Dispenser includes **2 tubes**: an infuser tube for **drink customization** and an **ice tube** for cooling without dilution. Not only that, but at only 8.25" wide, it offers great space savings as well. Everything can be stored within the translucent plastic body of the unit when not in use.

CBDP3BLK - \$58.80 
 3.0 GALLON (384 OZ)
 8.25 X 16.75 X 20
